

Get to Know Strategy and Product at Jane Street - University of Edinburgh

Join us for an information session about Jane Street's Strategy and Product Internship! This program offers a unique opportunity to explore the intersection of technology, finance, and business strategy. You'll learn how we tackle challenging problems across departments, support the firm's growth, and gain a holistic perspective of our business. If you've never thought about a career in finance, you're in good company. Many of us were in the same position before working here. We hope to see you there!

When:

**Tuesday, October 15th
18.00pm - 19.00pm BST**

Where:

Edinburgh University Campus - location details will be shared upon participation confirmation!

What:

This session focuses specifically on Strategy and Product. It will not cover Quantitative Trading, Research, Software Engineering or any other role.

Sign up via [here](#) or via this QR code!

Registration is not required to attend but will help us make sure we have enough food and swag for everyone!
